St. Cloud Financial Credit Union
Kyla Curley, Partner, StoneTurn
- 12:30 p.m. - 1:15 p.m.** **Networking Lunch**
- 1:15 p.m. - 1:45 p.m.** **Economic Trends and Measuring Member Financial Health**
Changing economic conditions impact both credit unions and their members and credit unions must be prepared when that happens. A credit union's greatest opportunities to serve come during periods of their members' greatest needs. To adequately monitor the financial well-being of members requires measurement. Gauging financial health by the amount of emergency savings alone poses a challenge. Credit reporting systems provide a broader view of the consumer's overall "portfolio" at their credit union and elsewhere. This session will provide insights from peer data, the economic performance of ACUSO members, and will recommend more reliable methods to measure consumer financial resilience, including real tools that provide a clear line of sight into member financial wellness.
